This Association is the largest, oldest and most successful Mutual Insurance

Association in California and the majority of its members are in and near San

Francisco where it is best known. It now confines its agencies to the Pacific

Coast. The wisdom of this act is shown by the strenuous efforts made by the

Eastern companies for California business, recognizing as they do, the necessity

of equalizing the extra death rate elsewhere caused by climatic conditions. "An

insurance company that reaches too far is liable to disasters common to the

merchant who spreads his business over all Creation."

HALL'S HAIR RENEWER.

Vegetable

Sicilian

The great popularity of this

after its test of many years, should be an

assurance, even to the most skeptical

it is really meritorious. Those who have

used HALL'S HAIR RENEWER know that

it does all that is claimed.

It causes new growth of hair on bald

heads—provides the hair follicles with

dead, which is seldom the case; restores

natural color to gray or faded hair; cures

the scalp itching and redness of

dermatitis; prevents the hair falling out

changing color; keeps it soft, lustrous,

and causes it to grow long and

thick.

HALL'S HAIR RENEWER is made of

vegetable ingredients, which have a

rejuvenating effect. It is not a dye, and

contains no alcohol. It does not

change the color of the hair, but

restores it to its natural color, and

leaves the hair soft and brittle, and

other preparations.

Buckingham's Dye

FOR THE

WHISKERS

Colors them brown or black, as desired,

and is the best dye, because it is harmless;

produces a permanent natural color; and,

being a single preparation, is more

convenient of application than any other.
